

שיבא - מרכז רפואי אקדמי מצטיין

The 2nd Sheba Medical Center Probe-based Confocal Laser Endomicroscopy international workshop in Gastroenterology & Pulmonology Past, Present, Future: Lectures & Live Cases

14-15/06/2015 Sheba Medical Center
Zublodowicz Autoimmune Center Lecture Hall

14/6/2015, Gastroenterology:

Faculty:

- **Prof. Ralf Kiesslich**, Director of Gastroenterology, HSK Medical Center, Wiesbaden Germany
- **Prof. Alexander Meining**, professor of Interventional and Experimental Endoscopy, head of Endoscopy, Ulm University Germany.
- **Prof. Fabrice Caillol**, Leader of clinical trials, Paoli Calmette Hospital, Marseille France
- **Prof. Rami Eliakim**, Director of Gastroenterology, Sheba Medical Center and chairman of the Advanced Technology Society, Israel Gastroenterology Association

Timetable:

08:30-09:00	Registration
09:00-09:10	Greetings Dr. Dorit Tekes-Manova , Deputy Director General Hospital Prof. Nadir Arber , Chairman of the Israeli Gastroenterology Association (IGA) Prof. Rami Eliakim , Director, the Gastroenterology Department, Sheba Medical Center
09:10-09:30	"Cellvizio, a routine procedure at Paoli Calmette Institute, Marseille France" Prof. Fabrice Caillol
09:30-09:50	"Barrett or no Barrett? CLE in the diagnosis of Barrett's esophagus" Prof. Ralf Kiesslich
09:50-10:30	Live demonstration: a Barrett's esophagus case Dr. Moshe Nadler (SMC), Prof. Fabrice Caillol in the OR, Prof. Ralf Kiesslich commenting in the lecture hall.
10:30-10:50	Coffee break
10:50-11:10	"Characterize & target: p/nCLE during ERCP and EUS-FNA" Prof. Fabrice Caillol
11:10-11:30	"Clinical experience with probe-based Confocal Laser Endomicroscopy" Prof. Alexander Meining
11:30-12:15	Live demonstration: EUS-FNA of a pancreatic cyst Prof. Fabrice Caillol, Dr. Moshe Nadler & Dr. Maor Lahav in the OR, Prof. Alexander Meining commenting in the lecture hall
12:15-12:30	Coffee break
12:30-13:15	Live demonstration: pCLE during ERCP-biliary strictures Prof. Fabrice Caillol, Dr. Moshe Nadler, Dr. Maor Lahav in the OR, Prof. Alexander Meining commenting in the lecture hall
13:15-13:35	"Beyond white light endoscopy: Confocal Laser Endomicroscopy & IBD" Prof. Ralf Kiesslich
13:35-13:55	"To be very precise: Future molecular imaging in CLE" Prof. Ralf Kiesslich
13:55-14:15	"Mini probes, big ideas: The future of probe/needle-based CLE" Prof. Fabrice Caillol
14:15-14:30	Summary remarks
14:30	Lunch

15/6/15, Pulmonology:

Faculty:

- **Prof. Douglas Arenberg**, Associate Professor of Medicine, Pulmonary & Critical Care Multi-disciplinary thoracic oncology clinic, University of Michigan, Ann-Arbor, USA
- **Dr. Tiberiu R. Shulimzon**, Director of Interventional Pulmonology Unit, Sheba Medical Center, Israel

Timetable:

09:00-09:10	Greetings Dr. Dorit Tekes-Manova , Deputy Director General Hospital Dr. Amnon Ariel , Chairman, Israeli Society of Pulmonology Dr. Amir Onn , Director of the Pulmonology Department, Sheba Medical Center, Israel
09:10-09:30	"Lung pCLE: The added value of a new endoscopic technology" Dr. Tiberiu R. Shulimzon
09:30-10:00	"pCLE use in identification of malignant pulmonary nodules" Prof. Douglas Arenberg
10:00-10:30	"The feasibility of confocal laser microscopy use in computed tomography guided needle biopsy of mediastinal and pulmonary tissue" Dr. Tiberiu R. Shulimzon
10:30-11:00	"pCLE use in the diagnosis of diffuse lung diseases, acute rejection following lung transplant and in the ICU" Prof. Douglas Arenberg
11:00-12:00	coffee break
12:00-13:30	Live procedures: Dr. Tiberiu R. Shulimzon Prof. Douglas Arenberg in the OR
13:30	Lunch

Registration:

Marketing department, Sheba Medical Center
E-mail: marketing@sheba.health.gov.il
Tel: +972-3-5305000, choose line 0 and then line 2, 8:00-16:00
ENTRANCE IS FREE.
