

	Time	Scientific Event
Thursday 7.04.2016	15:00-16:30	Registration
	16:30-17:00	Welcome Remarks Prof. Ahmed Eid, Prof. Mordehai Gutman, Prof. Ran Tur Kaspa, Prof. Salman Zarka
	17:00-19:00	Session 1: Liver Transplantation Chair: Prof. Igal Kam, Prof. Eitan Mor, Prof. Ahmed Eid, Prof. Richard Nakache
	17:00-18:00	Prof. Igal Kam (Denver, Colorado, USA) 50 Years of Liver transplantation in Denver, Colorado
	18:00-18:30	Prof. Raymond Reding (Saint-Luc University Hospital, Brussels, Belgium) Living donor liver transplantation in children: Experience in 350 cases
	18:30-19:00	Prof. Darius Mirza (University Hospital of Birmingham, Birmingham, UK) Split Liver Transplantation: Birmingham UK experience
Friday 8/04/2016	8:00-9:00	Session 2: Abstracts Chair: Prof. Ahmed Eid, Prof. Richard Nakache
	09:00-11:00	Session 3: Minimally Invasive HPB Surgery Chair: Prof. Igal Kam, Prof. Eitan Mor, Prof. Darius Mirza, Prof. Soli Mizrahi
	09:00-09:30	Prof. Paolo Pietro Bianchi (Misericordia Hospital, Grosseto, Italy) Robotic Pancreatectomy
	09:30-09:45	Dr. Evgeny Solomonov (Ziv Medical Centre, Safed, Israel) Robotic Liver Resections: toward extreme liver surgery by minimally invasive approach
	09:45-10:00	Prof. Ran Tur-Kaspa (RMC, Petah Tiqva, Israel) Liver Institute Director, Dean of Bar Ilan University Faculty of Medicine Challenges of HCV disease in the era of SVR
	10:00-10:15	Dr. Riad Haddad (RMC, Petah Tikva, Israel) Pushing the resectability concept for mCRC - surgical oncologist perspective
	10:15-10:30	Prof. Oren Shibolet (Institute of Hepatology, TLV Medical Centre, Israel) NAFLD: donors, recipients and all the rest
	10:30-11:00	Prof. Xiao-Ying Wang (Zhongshan Hospital, Shanghai, P. R. China) Robotic liver resection: Chinese experience
	11:00-11:30	Coffee Break
	11:30-14:00	Session 4: HPB Tumors Chair: Dr. Mendi Ben Haim, Prof. Erik Schadde, Prof. Salomon Stemmer, Prof. Jamal Zidan
	11:30-12:00	Prof. Raj Prasad (Spire Leeds Hospital, Leeds, UK) Complex resections for advanced hepatobiliary malignancies
	12:00-12:15	Dr. Rawi Hazan (Haemek Medical Center, Afula, Israel) Treatment of HCC: the multidisciplinary approach
	12:15-12:45	Prof. Erik Schadde (Cantonal Hospital, Zurich, Switzerland) Functional assessment of the rapidly growing liver
	12:45-13:00	Dr. Eldad Elnekave (RMC, Petah Tiqva, Israel) Radioembolization (SIRT) of primary and secondary liver tumors: evidence for efficacy and patient selection criteria
	13:00-13:15	Dr. Ofer Purim (Davidoff Cancer Center, RMC, Petah Tiqva, Israel) Treatment of metastatic colorectal cancer liver limited disease-is there is a role for biological treatment?
	13:15-13:30	Prof. Salomon Stemmer (Davidoff Cancer Center, RMC, Petah Tiqva, Israel) HCC: Are we targeting the right target?
	13:30-14:00	Prof. Darius Mirza (University Hospital, Birmingham, UK) HPB – changes in surgical management of pancreatic cancer
	Lunch	
Saturday 09/04/2016	11:30-12:30	Session 5: Abstract Chair: Prof. Ahmed Eid, Prof. Richard Nakache
	12:30-14:00	Session 6: Frontiers Chair: Dr. Evgeny Solomonov, Prof. Xiao-Ying Wang, Dr. Riad Haddad, Prof. Soli Mizrahi
	12:30-13:00	Prof. Erik Schadde (Cantonal Hospital, Zurich, Switzerland) Why rapid hypertrophy matters in liver surgery? From bedside to basic science and back to bedside
	13:00-13:30	Dr. Michael Gurevich (Shneider Childrens Medical Center, Petah Tiqva, Israel) Pediatric Living Donor Liver Transplantation: details of vascular reconstruction
	13:30-14:00	Prof. Eytan Mor (RMC, Petah Tiqva, Israel) HCC: Resection or Liver Transplantation?
	14:00-14:10	Conclusion of HPB Days in 2016 Conference Best Abstract Award
