HPB Days in Safed Multidisciplinary Approach

The HPB Days in Safed is a unique multidisciplinary conference, gathering together experts from Israel and abroad who deal with Hepato-Pancreato-Biliary diseases through surgery, chemotherapy and non-surgical invasive procedures.

This international conference will host honorable experts in HPB surgery, liver transplant and robotics with the participation of the following guests:

1. Raymond Reding, Belgium, Brussels
2. Paolo Bianchi, Italy, Grosseto
3. Raj Prasad, UK, Leeds
4. Massimo Malago, UK, London
5. Erik Schadde, Switzerland, Zurich
6. Igal Kam, USA, Denver
7. Darius Mirza, UK, Birmingham

Expected audience: general surgeons, oncologists, hepatologists, gastroenterologists and invasive radiologists who are interested in the HPB field
