

הכנס החצי שנתי של החברה הישראלית לחקר הכבד

בנושא הייחודי של

MANAGEMENT OF HEPATOCELLULAR CARCINOMA

30.10.2012

"הדר סיטי טאוור" במלון לאונרדו רמת גן
מתחם בורסת היהלומים רמת גן

ארגון והפקה: עידן חדש

08:00-08:30

Welcome reception

08:30-08:35

Opening / Prof. Ziv Ben Ari

SESSION

1

08:35-10:30

Hepatocellular Carcinoma – From Pathogenesis and Surveillance to Detection and new Classification Criteria

Chairmen: Prof. Eli Zuckerman and Dr. Michal Carmiel

08:35-08:55

Oncogenic viruses in the pathogenesis of hepatocellular carcinoma / Ran Tur Kaspá, Liver Institute, Rabin Medical Center

08:55-09:15

Epidemiology, Surveillance and Prevention of Hepatocellular Carcinoma / Oren Shibolet, Liver Unit, Tel-Aviv Sourasky Medical Center

09:15-09:30

Pathologic diagnosis of hepatocellular carcinoma
Orit Pappo, Department of Pathology, Hadassah Hebrew University Hospital

09:30-10:00

Detection of hepatocellular carcinoma / Jean-François H. Geschwind, Johns Hopkins University School of Medicine, Baltimore, USA

10:00-10:30

Clinical and molecular classification of hepatocellular carcinoma / Josep M Llovet, Barcelona Clinic Liver Cancer (BCLC) Group, Liver Unit, Hospital Clinic, Barcelona, Spain

10:30-10:50

Coffee break

SESSION

2

10:50-12:45

Hepatocellular Carcinoma - Novel Concepts in Surgery and in Loco-regional Approaches

Chairmen: Prof. Yaacov Baruch and Dr. Yoav Lurie

10:50-11:10

Surgical treatment of hepatocellular cancer / Myron Schwartz, Mount Sinai School of Medicine, New York, USA

11:10-11:25

First Israeli experience in robotic surgery for hepatocellular carcinoma / Evgeni Solomonov, Department of Transplantation, Rabin Medical Center

11:25-11:55

Liver transplantation for hepatocellular carcinoma

Myron Schwartz, Mount Sinai School of Medicine, New York, USA

11:55-12:25

Locoregional treatment of hepatocellular carcinoma /

Jean-François H. Geschwind, Johns Hopkins University School of Medicine, Baltimore, USA

12:25-12:45

Coffee break

SESSION

3

12:45-14:15

Current systemic therapies in Hepatocellular Carcinoma and the Israeli guidelines

Chairmen: Prof. Daniel Shouval and Dr. Shmuel Delgado

12:45-13:30

Clinical case presentation

HCC- Personalized treatment / Czerniak A, Hepato-Biliary surgery, Sheba Medical Center

Liver transplantation as a salvage procedure following hepatic resection / Ben-Haim M, Division of Surgery B, Tel-Aviv Sourasky Medical Center

Unusual presentation of hepatocellular carcinoma / Amitai M. Department of Radiology, Sheba Medical Center
Discussion / Prof. Myron Schwartz, Prof. Josep M Llovet, Prof. Jean-François H. Geschwind

13:30-13:50

Novel molecular targeted therapy in hepatocellular carcinoma: recent advancements/ Josep M Llovet, Barcelona Clinic Liver Cancer (BCLC) Group, Liver Unit, Hospital Clinic, Barcelona, Spain

13:50-14:15

Israeli guidelines for the management of Hepatocellular Carcinoma / Chairman: Oren Ran, Gastroenterology Institute, Hadassah Hebrew University Hospital

Lunch
